

WE NEED TRAINERS!

Are you interested in **interactive training** and **cultural exchange**?

Do you like working with diverse partners and local students?

If so, you are the right person for us!

ABOUT ICE

Inter Cultural Education (ICE) is an **award-winning social enterprise**. Proud of our mission to develop globally-minded students and bring the world to them, we have worked with people of over 83 nationalities and more than 100 schools, institutions and universities, locally and worldwide. We would like to work with people who love education as well as the idea of **generating social impact** through service, understanding, respect and international friendship.

Past clients / partners

- Teach4HK
- AIESEC Hong Kong
- Cathay Pacific
- Enactus Hong Kong
- CUHK Office of Student Affairs

- Ying Wa Girls' School
- ... and many more!

Positions available:

Trainer

**Programme
Facilitator**

TRAINER

We are looking for **energetic, positive** individuals to work as trainers in ICE. We would like to recruit trainers who are very interested in **world culture** and international relations. Not only working as a trainer, but also contributing to the community and **nurturing our future young leaders**.

These positions are **project-based**. We offer competitive salaries based on experience. The duration of our projects can be from 3-hour sessions to 5-day training events.

Trainers will be assigned to projects according to their training experience, expertise and preference.

Job Description

- Create **interactive trainings** for schools, universities and organisations
- Deliver on-site trainings in English or/and Cantonese and/or Mandarin
- Design props (with assistance from ICE)

Examples of past programmes

- Model United Nations Programme
- Sustainable Development Goals Programme
- Global Dialogue programme
- TED presentation skills
- Cultural Awareness Training for university students
- Cross-cultural team-building programme for corporates

Requirements

- Preferred: At least 3 years of informal/formal training experience
- Preferred: paid projects that you had developed and delivered yourself
- Comfortable to create programme content with minimal guidance from ICE
- Proficiency in English and/or Cantonese and/or Mandarin
- University students and freelancers are welcome
- Eager to work with youth

PROGRAMME FACILITATOR

We are looking for **confident** individuals to work as programme facilitators. We would like to recruit facilitators who are interested in **world culture** and international relations. Not only working as a facilitator, but also contributing to the community and **nurturing our future young leaders**.

Programme facilitators need to be able to **manage the classroom atmosphere** and help ensure that training objectives are met. They have to be able to start and dismiss sessions, clarify and wrap-up, **moderate discussions** by guests and keep time. They have to be confident authorities in the classroom, while occasionally translating or interpreting for international guests, and being aware of student understanding or learning difficulties.

Job Description

- **Facilitate/moderate programmes** when there are international guests speakers/instructors
- Assist the trainer and **perform flexibly** in accordance with the session outline
- Conduct spontaneous **ice-breaking activities**
- Occasionally translate/interpret for students or international guests
- Guide and control the group to **ensure effective participation**
- Ensure participants achieve a mutual understanding

Examples of past programmes

- Group facilitator of a 3-day leadership Programme for secondary schools
- Group facilitator of Cultural Workshops
- Assistant trainer or main moderator of Human Library programme

Requirements

- Group facilitation skills
- Preferred: At least 1 year of informal/formal facilitation experience (e.g. moderating classroom sessions)
- Preferred: paid projects where you had facilitated an activity or event
- Good improvisation and crisis management skills
- Flexible working hours
- Proficiency in English and Cantonese (preferred)
- University students and freelancers are welcomed
- Eager to work with youth
