

SDG YOUTH PROGRAMME

Why is SDG important to us?

How can we as youths contribute to achieving SDGs?

What are the practices of SDGs around us and around the world?

Empower students to create sustainable solutions

A programme for students to understand and apply the concepts of Sustainable Development Goals (SDGs). With world case studies, students have to analyse and evaluate the effectiveness of various practices towards SDG implementation and create concrete actions in the HK community.

5 sessions, 90 mins, 30 students, 4 themes

Case studies from around the world for each session!

Workshop 2: Healthcare

- Healthcare under pandemic threat and its impact
- Analyse through stakeholders perspectives
- Case studies around the world

Workshop 4: Green Fashion

- Fast vs Green Fashion
- Garment product life cycle and Sustainability
- Greenwash?

Workshop 1: Introduction

- What, Why & How of SDG
- The significance of SDGs
- Pop culture and SDG

Workshop 3: Poverty Alleviation
