GLOBAL WEEKS

ENDORSEMENTS

In this time I tried to look at my home country, Japan as I had been a foreigner there, and took many pictures of which I would haven't think its unique or interesting before studying abroad. Also, I tried to take pictures describing a living life in Japan deeply, something you can hardly find as you just visit there. That's because I became more interested in my own country and culture again as I met and had interaction with many people from different countries or cultural backgrounds during stay in HK, also as I have participated in ICE [a great organization called Inter Cultural Education] and tried to introduce Japanese culture to high school or middle school kids. I also want to add explanations of each photos but I found it's kind of hard :p So it will take time to complete this album. But I'm enjoying it. Hope you enjoy this too :) なんか英語も鈍りがちなので練習もかねて頑張ります。長々書いたけど要は自己満足のためです。

simoneurbani #Ubbani per il sociale, finito in una scuola media a raccontare ai bambini cinesi com'è crescere in Italia. Forse alla fine ho imparato più io che loro. Thank you @interculturaleducation for the amazing experience .

在香港的這幾天，凡是遇到且談論起台灣時，我發現他們眼神中表達了渴望與喜愛，很令我訝異。同時，在與其他國家的人交流時，對面臺灣擁有什麼特色 時我竟然語塞了，我才意識到自己對台灣的認識有多麼的少，對於他的歷史、地理、特色風俗是多麼的無知，但回頭細想，這些答案我並非全然不知，而是我選擇忽略，忘了這片土地所賜給我的寶藏，而我身長於此是多麼幸運！這趟旅途本來是打著想認識更多國外的事物，但得到更多的卻是對於自己文化的反省與思考，這些是我從未預見的！

The Global Week in Ying Wa is one of the best times I've ever had. I hope you had a great time in Ying Wa too. Talking to you is like talking to an old friend. I look forward to seeing you and your team again.

I've worked with ICE for many years, organizing programmes for our students, watching them learn, experience and grow through the workshops and activities. ICE's passion for Global Education is both endearing and infectious and I, myself, as the teacher, have also learnt so much from them.
